Notes

We plan to publish on-line word indexes to the Pāli canon using the Pali Text Society editions. This is the index to the Udāna. This word index will be merged in future into our “Word Index to the Pāli Tipiṭaka and Other Pāli Texts”, which is uploaded on the web site:

<http://www.cari.ne.jp/MyanmarPJ/EngH.html>

We sincerely thank the Chuo Academic Research Institute, who supported the preparation of the electronic texts.
