Notes

We plan to publish on-line word indexes to the Pāli canon using the Pali Text Society editions. This is the index to the *Apadāna*. This word index will be merged in future into our “Word Index to the Pāli Tipiṭaka and Other Pāli Texts”, which is uploaded on the web site:

<http://www.cari.ne.jp/MyanmarPJ/EngH.html>

We sincerely thank the Chuo Academic Research Institute, who supported the preparation of the electronic texts.
